

Welcome to St Joseph Maronite Catholic Church Festival November 4th, 5th & 6th 2011

*10th Annual Lebanese Festival!
Inviting you to be part of the success!*

Background

St. Joseph's is a 12 year old Maronite Catholic Church that brings to the valley the essence of the Lebanese tradition and worship. Through the years we've been blessed with dedicated parishioners and generous donors to fundraise many events, such as the Annual Lebanese Festival.

The Annual Lebanese Festival

The Festival is a chance where our community provides others a taste into our Lebanese cuisine, culture and folk life. With constant entertainment from our very own Dabke dancers to live bands and singers, we provide an atmosphere that makes anyone feel like they are in a new world. A variety of fresh food and delicious pastries are available throughout the day, and a center for the kids where they can play offers just what our audience is looking for.

History

Going on its 10th run, the Festival has been the backbone of fundraisers for St. Joseph. Without each devoted individual assisting us with their help, our growth would have staggered instead of flourish like it is today.

Your contribution goes a long way

Every dollar we receive in donations and sponsorships gives us more time to create and enhance the Festival, rather than spend our efforts trying to secure funding for it. We are confident that with your support we can achieve more for our mission and spark a positive change in our community!

Sponsorship Pledge Form: (please fill in all fields)
